

Discrete kernels

VÁVRA, F., NOVÝ, P., REISMÜLLEROVÁ, L., VOKÁŠOVÁ, K., NEUMANOVÁ, M. Discrete kernels. *Austrian Journal of Statistics*, 2006, ro. 35, ? 2-3, s. 365-370. ISSN: 1026-597X

The submitted paper deals with "kernel approximations" of discrete probability distributions. The work is concentrated on the type of the kernel. The asymptotical behaviour is studied as well. Further the context among some of classical frequency probability estimates is presented.
