

# Segmentation EEG with Neural Network

CINIBURK, J., MAUTNER, P. Segmentation EEG with Neural Network . In *Proceedings of the 8th international PhD workshop on systems and control a young generation viewpoint*. Budapest: Magyar Tudományos Akadémia, Számítástechnikai és Automatizálási Kutatóintézet , 2007. s. 1-5. ISBN: 978-963-311-365-3

---

Potential of using neural network ART-2 to EEG signal segmentation, its parameters settings and evaluation its suitability for segmentation of EEG signals. Possibilities of ART-2 neural network use in EEG signal segmentation, meaning and effect of various parameter settings and evaluation of its suitability for EEG segmentation.
