

EEG/ERP experiments - data and metadata structure

MOUŠEK, R., JEŽEK, P. EEG/ERP experiments - data and metadata structure . In *Neuroinformatics 2008*. Stockholm : Frontiers , 2008. s. 123-123.

The results of the EEG/ERP experiments (data, metadata) have to be stored to enable further analysis and interpretation. The first version of general EEG/ERP data format and metadata structures was proposed.
