

# Categorization of Czech Written Documents using WEBSOM Methods

MOUŠEK, R., MAUTNER, P. Categorization of Czech Written Documents using WEBSOM Methods. In *Proceedings of the 9th international PhD Workshop on Systems and Control*. Ljubljana: Jožef Stefan Institute, 2008. s. 1-5. ISBN: 978-961-264-003-3

---

The method called WEBSOM was used for categorization of Czech written documents. Syntactic and semantic relationship within word categories of word category map and the results provided by document category map were investigated.
